UCPH LOM SERVICES
THE UNIVERSITY OF COPENHAGEN'S STRATEGIC PLATFORM FOR LIFESTYLE, OBESITY AND METABOLIC RESEARCH

CONNECTIONS, COLLABORATION AND SHARED IDENTITY
- Hosting annual conferences engaging junior and senior scientists across UCPH.
- Set up seminars, workshops and meetings based on suggestions from the scientists.
- Facilitate matchmaking between individual scientists and groups.
- Establish strong ties with existing Danish and European associations, networks and alliances.

NETWORK AND CAREER PATHS FOR YOUNG RESEARCHERS
- Strengthen recruitment, training, and maintain young talented researchers.
- Inspire students to write their Bachelor or Master’s thesis within this research area.
- Establishing and servicing thematic young researcher networks.
- Provide workshops and training events for all young researchers in the LOM areas.

FUNDRAISING AND POSITIONING
- Attract external funding by combining the strengths of excellent science, interdisciplinary cooperation, strong infrastructures and collaboration with partners and stakeholders.
- Provide overview of funding opportunities, courses and workshops.
- Providing career- and fundraising- coaching and planning.
- Assistance with concrete grant applications.
- Lobbying for future research investments in lifestyle, metabolic diseases and obesity.

COMMUNICATION AND OUTREACH
- Maintain a website and calendar of events, and publish a newsletter.
- Contributing to bringing the researchers and the research out to the society.
